Social Contribution Award

Commenced in spring 2007, the Social Contribution Award is the first merit-based scholarship created by the Foundation. This scholarship awards students for their special contributions to communities outside of the school and family.

On June 13, 2012, the sixth award ceremony was held at the Student Resource Center (知缘阁). Ms. Fanghua Jiang '84, President of the Foundation, and Julia Xu '01, board member of the Foundation, introduced the award's establishment and development, and announced this year's recipients: the Business Challenge Club, Yiting Yang and Kechun Zhang. Wenyuan Wang, president of the Business Challenge Club introduced the development and activities of his club, while the two individual recipients shared their experience of raising stationeries and clothes for kids in underdeveloped areas.

Secretary Deyao Wang and Vice Secretary Jun Li also joined the ceremony, and announced the winners of the Student Resource Center Movie Review Contest. Secretary Wang remarked in his speech, "Movies and reviews are ways of promoting cultures and stimulating thinking, while social contribution is a channel of passing on your values to the society."
